#### **DETAILED ACTION**

## **Drawings**

1. The drawings were received on 05/01/2006. The replacement drawings are accepted by the Examiner.

## Claim Rejections - 35 USC § 101

2. All 101 issues cited in the office action of 04/10/2006 have been cured.

# Allowable Subject Matter

- 3. Claims 1-3, 5-10, 12-17, 19-24, and 26-28 are allowed.
- 4. The following is an examiner's statement of reasons for allowance: With regard to independent claims 1, 8, 15, and 22, prior art fails to teach or suggest a method or system, with instructions stored on a computer readable medium, and further implemented by the computer stored thereon, wherein asset location is carried out by linking a portable transmitter to a selected asset and initiating a cellular communication from the portable transmitter to an associated device controller. Communicating to the device controller primary location information representative of a cellular area from which the cellular communication is made, and then initiating a secondary location

system in accordance with the primary location information. At this point, secondary location information is then broadcast from the portable transmitter and received into a tracking system wherein, a location of the selected asset is determined, in accordance with data generated, as a function of a strength of the signal, associated with the secondary location information received therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
